

## **The Roanoke College Onjelique C. Stevens '06 Endowed Scholarship Fund**

With visions of developing scholarships to assist Roanoke students whose lives have been spent smiling, inspiring and encouraging others with a leading example, an endowment fund has been established at Roanoke College to honor the memory of Onjelique "Onjo" C. Stevens '06 and to pay tribute to her alma mater.

---

On March 27, 2007, Onjelique lost her battle with cystic fibrosis. Onjo was a double lung transplant recipient in December 2003, her senior year, and returned to Roanoke after her determined recovery. She received her degree in Business, smiling all the way, and encouraging others to live their lives saying "WOW" not "WHY". Onjo was also a member of Delta Gamma.
