**HAPPY 40th BIRTHDAY
SWEET ONJO!!**

You were born to be special, one of a kind, with a beautiful soul and a beautiful mind. Making your way with your own ideas, you've kept your spirit throughout the years. You're kind, loving, funny and true, there will never be anyone quite like you. We continue to be so very proud of you.

We love you sweet Angel, Momma, Daddy, GM, GD and all your special friends and family.
